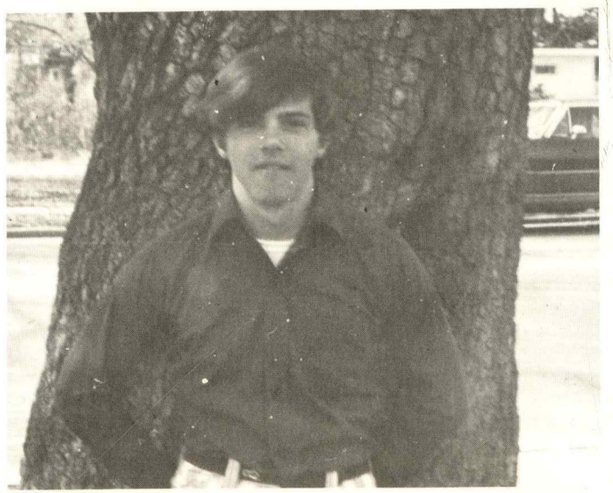
MR. AND MISS P.J.H.S.

MISS P.J.H.S.

DONNA BEALL

Donna has served her school well during her junior high years, both as a member of the student council and as a varsity cheerleader for two years. This year she was selected as head cheerleader. A personality overflowing with vitality and cheerfulness has helped to make Donna a popular student. She has been elected to the football court, presidency of the F.H.A., the "Who's Who" for three years, and finally Miss P.J.H.S.



MR. P.J.H.S.

STEVE VLAHOS

Steve's junior high years have been devoted to P.J.H.S. sport activities - football and track - in which he has been highly successful. His characteristics of friendliness, helpfulness, and good humor have helped to make him an asset to the school not only on the athletic field, but in the classroom. Steve is a favorite of the student body as shown by his election as cutest boy and Mr. P.J.H.S.

DEANNA HEIDELBERG WHIT FORTENBERRY

The faculty of P.J.H.S. has the responsibility of selecting the Outstanding Ninth Grade Students. Selection is based upon citizenship, leadership, and scholastic ability. It is one of the highest awards given to a student.

Deanna has been active in the student council for three years. In the seventh grade she was the class representative on the executive council and last year she served as vice president. This year she is president of the student council. For two years Deanna was selected for membership in the special chorus. In the seventh and eighth grades she was an office monitor and is presently a monitor for the guidance department. The "Panther Paw" has made use of Deanna's talents for the past two years - as feature editor last year and co-editor this year.

Whit's activities in junior high have been wide and varied. They include membership on the student council, participation in school athletics - basketball and football. This year he has served as manager of the football team. He has been a member of the annual staff for two years and this year Whit is the editor of the "Panther Paw". He is a member of the literary and newspaper staffs. Whit is popular with the student body having been elected to "Who's Who" for three years.

As shown by the list of activities, Deanna and Whit have served the school and student body well. These students have received the recognition deserved but Deanna and Whit are representative of a majority of the students at Pascagoula Junior High.

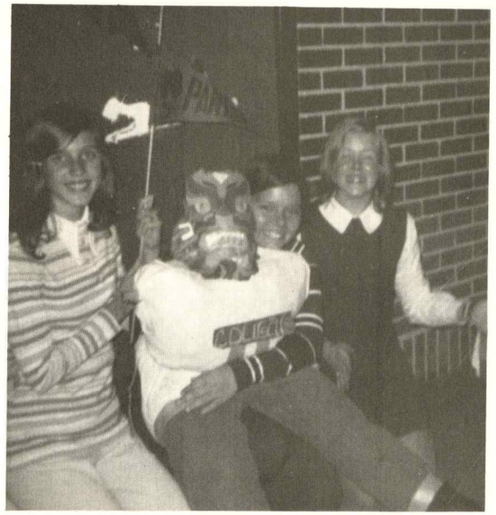
"I Ain't Got No Body"

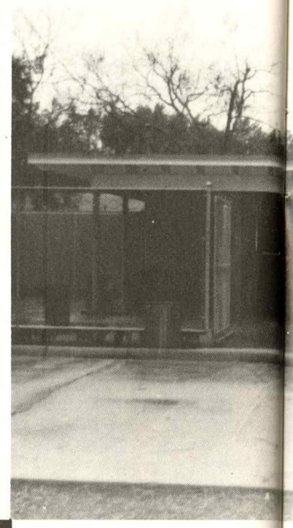


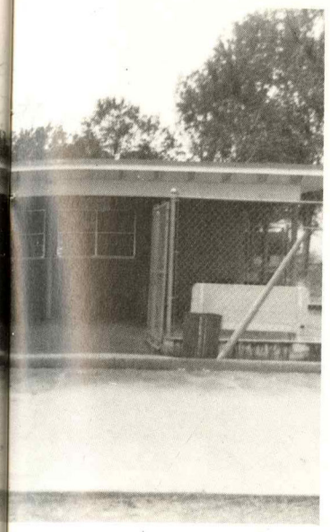
"You Got'a Friend"

ALL YOU EVER WANTED TO KNOW ABOUT P.J.H.S.*

In the hall by the office there's a pencil
machine.
It really looks quite innocent and clean.
But if you put in a dime
Heed this warning of mine,
It snatches the dime like a fiend.

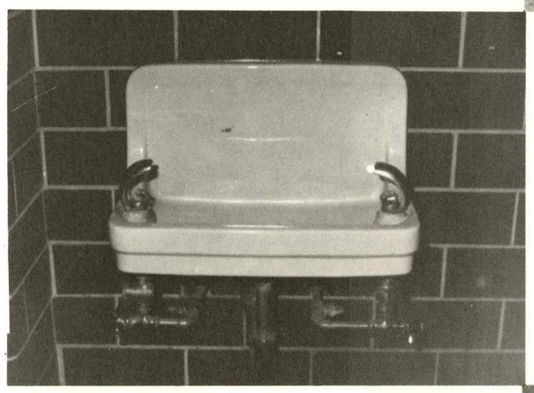
S. Spicer





This is the spot we gather each day,
Contented to waste our time away.
Though we only stop eating,
To deliver a greeting
Our stomach's are empty always

C. Bosworth

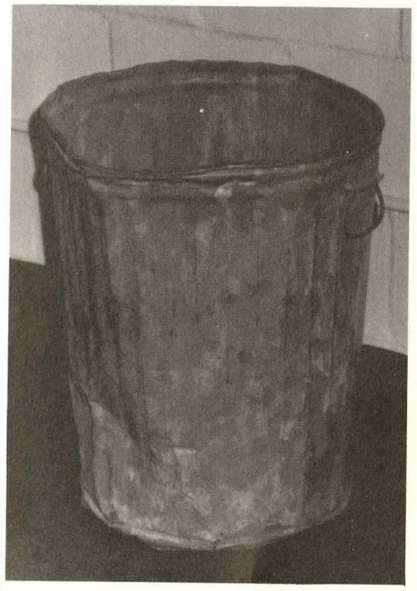


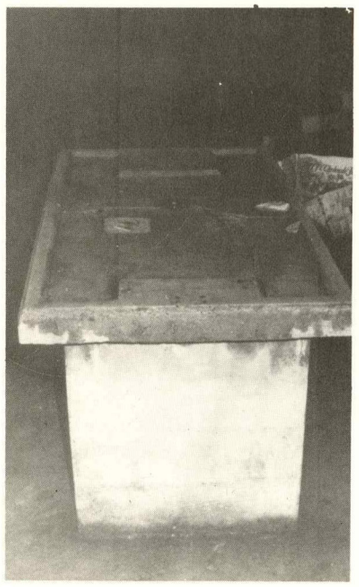
There once was a Fountain
of Youth,
The likes of which was
uncouth.
A fountain it's not,
For the water is hot,
And we end up losing a tooth

K. Scott

Our school has an old
garbage can.
It's kicked by every Tom,
Dick, and Stan.
That's where we stash
All of our trash
And with our foot give it
a mash.

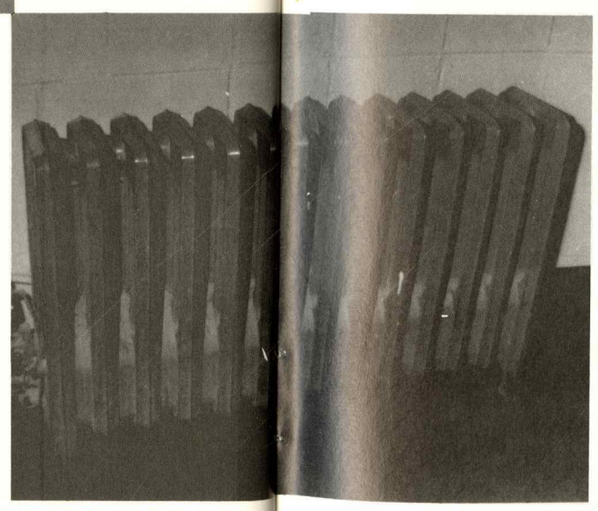
M. Lambert

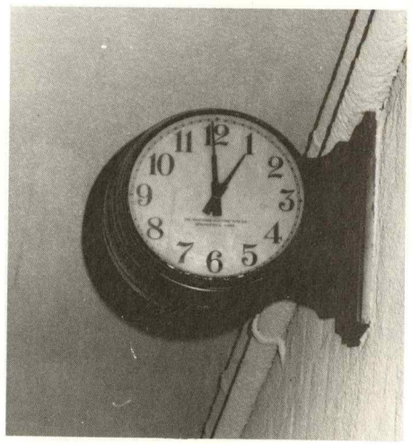




In the courtyard stands an old
cement table.
It once was a fountain with no need
of a label.
But now some boys play craps,
While others take naps
On the table that's really quite
stable.

S. Spicer





Here in the P.J.H.S. hall
Is an old clock on the wall.
It use to run
But it stopped on the one
Now it won't work at all.

M. McLaurin

The raditor gave up the ghost.
No longer of warmth does it boast.
In winter it dies
The repairman cries
But by summer it's ready to roast.

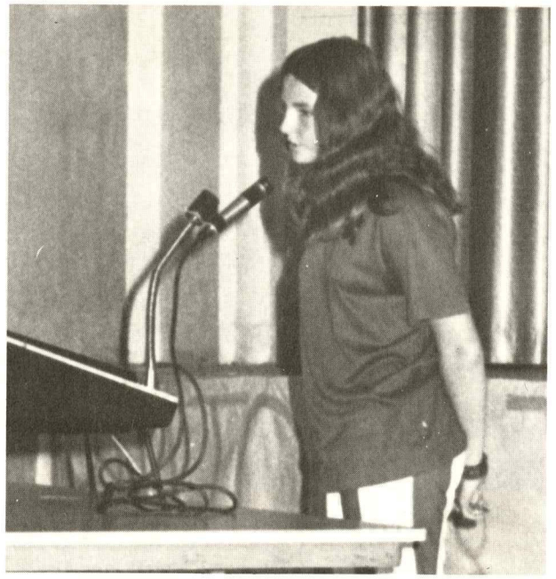
ELECTION YEAR . . .

Let me make that perfectly clear.



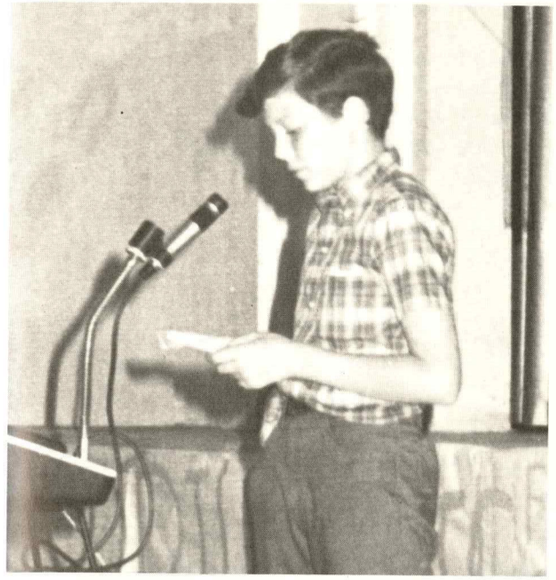
I have nothing to offer but blood, toil, tears, and sweat.

I rather be right than be queen.

It's pretty but is it Art?

Listen my children and you shall hear . . .

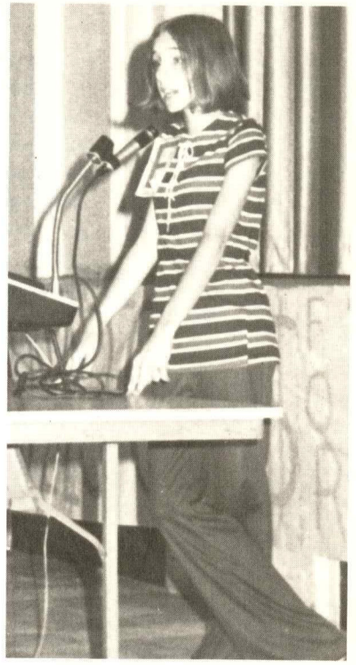
. . . WORDS, WORDS, WORDS



I disapproved of what you said but I will defend to the death your right to say it.

If I am not elected I'll cry my eyes out.

Give me liberty or give me death!



Friends, Romans, Countrymen lend me your ears.

TAG! You're IT!

TO THE STUDENTS OF PASCAGOULA JUNIOR HIGH SCHOOL

We could tell this was going to be a different kind of a year when school started last fall. The building had been remodeled during vacation and the improvements were reflected in the pride of the students and faculty. Not only were we meet with a new junior high but we also faced an unknown - a new administration. It is impossible to capture in a book all the things - good and bad - that have happened this year. We, the 1971-72 annual staff, hope as you look through this book you will remember this year and that it was a very special year. Especially to the members of the freshman class we hope it will bring memories of the year that was "our year."

Sincerely yours,

The Panther Paw Staff
